Attendance Everyday counts in teaching and learning

It is our expectation that all children attend school on time every day. On the rare occasion there is an unavoidable reason for an absence or lateness, it is essential that you notify the school with an explanation and provide a sick note or certificate on your child's return.

Dear Parents and Carers

Firstly I would say how much I have appreciated all the heartfelt condolences, messages and cards from everyone during what was a difficult time. Thank you to all of the children, parents, carers and the wider school community for your warm support and understanding. The team here at Robert Blair who worked really hard to make sure the children had a great end to our very busy autumn term. Well done everyone! I have loved catching up with the children and hearing all about their experiences performing 'The Jungle Book' and how much they enjoyed the seasons festivities; the trip to the cinema, Christmas dinner and jumper day and the winter disco. Many thanks to the parents who helped put on the school disco and supported with the hampers. I look forward to seeing you all at the Home school Learning conversations this week. If you have not yet booked your slot through the link sent out via text and email please do so as quickly as possible.

This week you will also be receiving our a link to our annual parents survey. We thank you in advance for taking the time to complete this. The important information received helps to keep improving our school and making it a better place for our pupils and their families. Please see the school office if you are having any difficulty. They will be able to support you.

Please support your child by ensuring all clothing and personal property is clearly labelled with your child's name and class. **Lost property** will be **outside in the playground on Tuesdays and Fridays at 15:20**. This will help us to work together to manage the enormous amounts of items being left in school unclaimed.
