

Focus Child Sheet

Robert Blair Under 5's
Planning for your Child's Interests and Needs

Hello Parents/Carers!

- Thank you very much for taking the time to fill in this form.
- We are asking for information on what your child likes to do at home.
- This will help us get a picture of your child as they may do different things at home.
- This will help us plan activities together to meet your child's needs and interests.

<p>What does your child tell you they like doing at school?</p>	<p>What do you enjoy doing at home with your child?</p>
<p>Is there anything significant happening in your child's life? (holiday, birthday, visits, new pets)</p>	<p>Would you like to tell us anything else about your child? (optional: any additional information)</p>
<p>Is there anything you would like to ask US about your child's development or any other comments?</p>	

Please return this sheet by *Wednesday* morning so we can add your input to the planning.
