

Equality Information and Objectives

Our School Commitment

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

- **Eliminate unlawful discrimination, harassment, victimisation** and any other conduct prohibited by the Equality Act 2010
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

At Robert Blair School we believe in a just and fair society where:

- People are treated with dignity and respect
- Inequalities are challenged
- We anticipate, and respond positively to, different needs and circumstances so that everyone can achieve their potential

We aim to make sure that no-one experiences less favourable treatment or discrimination because of:

- Their age
 - A disability
 - Their ethnicity, colour or national origin
 - Their gender
 - Their gender identity (they have reassigned or plan to reassign their gender)
 - Their marital or civil partnership status
 - Their being pregnant or having recently had a baby
 - Their religion or belief
 - Their sexual identity and orientation.
- We recognise that some pupils need extra support to help them to achieve and be successful
 - We try to make sure that people from different groups are consulted and are involved in our decisions, especially pupils, parents and those of us who can be treated less favourably.

We welcome our duties

- To promote community cohesion (under the Education and Inspections Act 2006)
- To eliminate discrimination, advance equality of opportunity and foster good relations (under the Equality Act 2010)

We also welcome the emphasis of Ofsted inspections on the importance of accelerating the progress of pupils from groups who are underachieving.

As part of this we will:

- Publish information every year about our school population
- Outline how we have due regard for equality and how we promote community cohesion
- Publish equality objectives to show how we plan to tackle particular inequalities and improve what we do

As an employer we ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce. Equality aspects such as gender, race, disability, sexual orientation, gender re-assignment and faith or religion are considered when appointing staff and particularly when allocating Teaching and Learning Responsibilities (TLR) or re-evaluating staff structures, to ensure decisions are free of discrimination. Actions to ensure this commitment is met include: Monitoring recruitment and retention including bullying and harassment of staff; Continued professional development opportunities for all staff; Senior Leadership Team support to ensure equality of opportunity for all.

Our equality Objectives.

- 1:** To ensure we promote diversity through ensuring a systematic exposure to people with protected characteristics across the school community
- 2:** To ensure we are closing the attainment gaps between disadvantaged pupils and others in school and nationally.
