	<b><u>Sports grant £ 9 700</u></b>

## Impact

### **1. To ensure PE provision is of high quality, both within the core day and the extended day, including our Lunch offer and After School Club.**

- The standard of our professional sports coaches who work with classes from Reception to Year 6 is outstanding. They provide an excellent model for practitioners with regard to planning and the progression of skills.
- The lunchtime sporting offer has improved with an improved variety of sporting activity across the week timetabled including the involvement of specialist coaches.
- There are half termly House competitions in a range of sports across the year with house captains managing teams and success celebrated with rewards.
- Our After School Club provides at least 4 sporting clubs across the week. This is an increase from 2 per week in 2015-16.
- The school has invested in equipment and trophies to enhance children's participation, enthusiasm and outcomes.
- The school's sporting offer was supported through a successful bid to the Johan Cruyff Foundation. Additional playground markings and equipment has enabled us to further develop the offer and include athletics and basketball provision.
- Children in Years 4, 5 and 6 attended regular swimming lessons.

- Intervention groups were established termly for high attaining pupils and pupils reluctant to participate in sporting activities. A significant number of pupils initially reluctant to participate in sporting activities had increased participation and some were involved in sports teams representing the school.

## **2. To improve participation rates in a wider range of PE and Sport activities.**

- The school has significantly increased the opportunities for participation in competitive sporting activities.
- Children from both KS1 and 2 have had experience of inter school competitions.
- In addition in 2016-2017 the school participated in:-
- Network competitions in Football, Tag Rugby and Netball;
- Inter schools competition in track and field;
- Boys, girls and Mixed Football competitions in years 3 and 4, and 5 and 6;
- We won both a tag rugby and netball competition.
- Intervention groups involving pupils initially reluctant to participate in sporting activities resulted in increased participation with some representing the school in sports teams.

## **3. To ensure good quality professional development for staff in PE and Sport.**

- The school purchased the LBI silver sports package to support CPD and enrich provision.
- All teachers received training in body management and gymnastics from our sports consultant at LBI.
- Lead practitioners regularly attended PE cluster and Network meetings, keeping up to date with local and national developments and guidance.
- Opportunities were provided for staff to observe and participate in sessions lead by our professional coaches to support individual CPD opportunities.

The government has significantly increased the amount of PE and Sports funding that each school receives. For the academic year 2017-2018 the school will receive £17 590

**Our aim for 2017-2018 is to consolidate the work of 16/17**

1. To ensure PE provision is of high quality, both within the core day and the extended day, including our Lunch, Breakfast Club and After School Club offer.
2. To improve participation rates in a wider range of PE and Sport activities.
3. To ensure good quality professional development for staff in PE and Sport.

**In addition we will:-**

- Introduce Keep fit at our Breakfast Club twice a week
