Dear parent/carers

If you think your child is eligible for Free School Meals, and you haven't already applied, please register using the form on the Citizens Portal on Islington Council's website.

<https://www.islington.gov.uk/children-and-families/benefits-and-financial-support/free-school-meals-and-uniform-grant>

You will already have an account on the portal if you have accessed free early education for two-year olds. Please access this with the original email address you signed up with.

To open a new account you will need an email address and your National Insurance number.

Best wishes
