

BACK TO SCHOOL TO SCHOOL AT ROBERT BLAIR

Social distancing drop off and collection. Parents will leave you at and collect you from the school gate.

You will wash your hands before you enter the building and throughout the day.

You will need to social distance at all times whilst at school.

You will change into a pair of shoes that you will only wear inside the building – change your outdoor pair whenever you go outside.

There is a one way system. You will go in the building from one entrance and leave at a different exit.

You will have your own desk, with your own resources which only you will use and touch.
