9th July 2020

Dear Parents/ Carers,

We are finally at the end of what has been an unusual school year and are very much looking forward to September and having all the children back in school. Well done to all of you for your dedication and perseverance in taking on the role of teachers and educators in these unprecedented times. Your child has greatly benefited from this support.

Please find attached with this letter a copy of your school report for the Academic Year 2019-2020.

Your child's school report is an annual document informing you of the learning your child has been doing this year, their progress and their attainment.

It contains a range of important information including:

- Information about your child's Personal and Social Development
- Information about Behaviour and Attitude to Learning
- What your child has learned over the year in the different subject areas
- Your child's attainment compared to Age Related Expectations (ARE), as laid down by the government
- Next steps for your child
- For Reception, whether your child has achieved a 'Good Level of Development'

We hope that you find this information useful and take the opportunity to celebrate the successes with your child.

There will be an opportunity to discuss the report with your child's class teacher on Friday 17th July between 10.00am -12.00noon on google meet. Your child's teacher will give you a time at which you will be able to join the meeting. Please confirm your attendance with the class teacher.

Have a lovely summer and continue to keep safe. We are looking forward to seeing you all in September.

Best wishes

The staff team at Robert Blair
