A reminder that if your child is showing any of the symptoms Covid19 they need to self-isolate for 10 days. You must take anyone displaying symptoms for a test as soon as possible. Children can return to school if they have a negative test result or are symptom free after 10 days Other members of the same household who are not displaying symptoms must self-isolate for 14 days.

Parents and carers seeking advice from their doctors, in person or via the phone, must provide to the school with a doctor's note if the outcome of the consultation was that the child was fit to return to school. It must clearly state why they symptom the child does not have covid-19 and what the symptom is a result of.

Best wishes

Michelle Bahn
