

Sports Funding Statement –Autumn 2019

What is the Sports Funding grant?

This is a government grant that must be used to improve to the provision of PE and sport for the benefit of primary age pupils. For 2017 -18 the school received £17, 730 to support improvements in PE and Sport.

Aims for 2018-19

Our core aims were to:-

1. To ensure PE provision is of high quality, both within the core day and the extended day, including our Lunch, Breakfast Club and After School Club offer.
2. To improve participation rates in a wider range of PE and Sport activities.
3. To ensure good quality professional development for staff in PE and Sport.

Specific targets for 2018-19 were:-

- Focus on education outside the classroom as an area for professional development and pupil experience
- To introduce a programme of Daily fitness in KS2.
- To introduce quality professional development for staff in PE and sport
- Embed and widen competitive sport opportunities

Impact

1. To ensure PE provision is of high quality, both within the core day and the extended day, including our Lunch offer and After School Club.

- Monitoring activity, evidences a good quality of PE provision. This includes professional sports coaches who work with classes from Reception to Year 6. Who are outstanding. They provide an excellent model for practitioners with regard to planning and the progression of skills working closely with our Healthy Schools Lead coaching and mentoring staff with sporting and healthy schools activities.
- There were half termly House competitions across lunchtimes in a range of sports across the year which have become very popular with children.
- Our After School Club and breakfast clubs provide at least 6 sporting clubs across the week-including two morning fitness clubs.
- Children in Years 3, 4, 5 and 6 attended intensive swimming session of a fortnight of hourly sessions daily
- Intervention groups were further embedded for high attaining pupils and pupils reluctant to participate in sporting activities with targeting fine-tuned.
- Regular PE lesson with our coaches were introduced in the Reception class.

The curriculum is broad and balanced.

...Teaching across a range of subjects is highly effective.

Teachers value the professional development they receive to improve their practice.

The school's work to promote pupils' personal development and welfare is good.

During oral feedback at team meetings inspectors acknowledged the PE skills children were exhibiting in their play and the strength mixing of girls and boys in the playground actively involved and leading activities. 'It was good to see girls holding their own, particularly in football.' This was evidence on football and basketball.

Ofsted May 2019

2. To improve participation rates in a wider range of PE and Sport activities.

- ✓ The school has continued to provide increased opportunities for participation in competitive sporting activities. A wide range of boys, girls and mixed teams in KS1 and KS2 have had experience of inter school competitions.
- ✓ Intervention groups involving pupils initially reluctant to participate in sporting activities resulted in increased participation with some representing the school in sports teams
- ✓ The school participated widely in sporting activities across the borough achieving recognition and winning trophies in netball, basketball and football.
- ✓

3. To ensure good quality professional development for staff in PE and Sport.

- ✓ The school purchased the LBI silver sports package to support CPD and enrich provision.
- ✓ KS 1 teachers professional training to support development in KS1
- ✓ Lead practitioners regularly attended PE cluster and Network meetings, keeping up to date with local and national developments and guidance.
- ✓ Opportunities were provided for staff to observe and participate in sessions lead by our professional coaches to support individual CPD opportunities.

Progress towards our specific targets for 18-19

- Network competitions in Football, Tag Rugby, basketball, handball and Netball;
- Inter schools competition in track and field;
- Girls and Boys and Mixed Football competitions in years 3 and 4, and 5 and 6
- Further involvement in sorting opportunities across the borough and inter school
- Trophies won in basketball, netball and football

For the academic year 2018-2019 the school will receive £17 730

Specific targets are:-

- Focus on education outside the classroom as an area for professional development and pupil experience
- To introduce a programme of 'The daily Mile' across years 1 to 6.
