# Headteacher's Homework Challenge

## Morgan Sidwell Art Competition

Dermot and Toby, site managers from Moran Sidwell visited our assembly this week. They told us about what their building company is doing on Brandon Road, just around the corner. The building is part of the science industry with laboratories and science technology. We can see the two big red cranes from our school. They told us about lots of jobs involved in the 'construction industry' and lots of different materials they use.

There are lots of women in construction. A woman designed and is overseeing the project.

- Concrete finishers
- Bricklayers
- Carpenters
- Plumbers
- Electricians
- Office staff
- Sustainability
- Design ...And lots more

**The competition Create a piece art work to:**  
 Show the building as it looks now (take a look on your way home or in the holidays) Think about all the people inside and what they are doing.  
 OR  
 A piece, or pieces, of machinery used on a construction site. Think also about all the materials being used.

- 1st prize, an ipad mini
- 2nd prize, £50 amazon voucher
- 3rd prize, £25 amazon voucher

**Top tips!**  
 Don't leave any white background  
 Think about bold colours  
 Be as creative as you can  
 Remember the winner will be displayed on the hoardings!

**Due: Tuesday June 6th**  
**Winners announced the following week.**  
 (please don't be late! We are collecting them at the end of the day for judging)
