Message from Ms Liney Happy New Year!

Welcome back to school. We have all returned refreshed and ready to pick up where we left off before the holidays.

Our New Year's resolution is to rekindle our love of reading. 2026 is the National Year of Reading and we will be participating fully in our drive to develop reading skills, with a focus on reading for pleasure.

Another aim for 2026 is to establish a "no hands up" approach, to ensure all children develop the confidence to put forward their ideas. This is supported by giving children time to think and discuss ideas with a partner, as well as developing an ethos where it feels safe to have a go so that mistakes are seen as an important part of the learning process.

"Soft start" 8:45 – 9:00

You will see that our teaching staff are now all in class at the start of each day. This is to work with individuals and small groups as soon as they arrive. Additionally, teachers always prepare "soft start" activities based recent learning. I encourage children to arrive promptly to make the most of this - Blundell Street is open from 8:45. If you have any messages to pass on at the start of the day, please speak to one of the leadership team who will still be available.

Wishing everyone a good weekend, hopefully with some warmer, calmer weather ahead.

Ms Liney, Head of School

NATIONAL YEAR OF READING

WHY THIS MATTERS

Fewer children are reading for pleasure

It's disappearing from daily life

Across the UK, children are reading less than they used to and stories aren't getting the same space they once did. And it's happening across all age groups, from toddlers to teenagers.

Children feel the impact

When reading drops, confidence, imagination and learning take a hit as well. Reading helps children focus, express themselves, develop their curiosity, and it gives families an opportunity to connect.

SUPPORTING FAMILIES

A national push to get every child reading

In 2026, a national spotlight is being put on reading and on the simplest way to help children enjoy it: connecting it to what they already love. From dinosaurs to dancing, from comics to cooking, passions make stories feel natural and fun.

For families, the National Year of Reading also means more support, more ideas and more opportunities to weave reading into busy routines, whatever age your child is.

Kala qaybsiga sheekoyinka

Adigu mar walba uma baahnid inaad qaybsataan ereyoyinka. Isla eegida iyo ka wada hadalka sawirada buugaagta waa hab fican aad ilmahaada ku dhiirrigelin kartid ku raaxeysiga sheekoyinka. Haddii guriga ku hadasho luqad kale, luqadaada isticmaal markaad ka hadlayso sawirada iyo sheekada buugga.

Markaad buug kala qaybsaneysaan waad isla madadaali kartiin:

- Ka hadla daboolka buugga iyo u tilmaam magaca buugga.
- Ilmahaada u oggolow inay buugga gacantooda ku haayaan iyo geddiyaan bogagga.
- Ku dhirrigeli inay ka hadlaan sawirada buugga.
- U isticmaal codad kala duwan jilayaasha sheekada buugga. Dhawaqaqyo samee sida dhawaqaq biiyaha, hoonka baabuurka ama dhawaqaq xayewaanada.
- Markii ay sheekada dhamaato, waxaad ka codsan kartaa haddii ay ka heleen iyo jilaha ay ugu jecel yihin sheekada.

Talada xiddiga

Teendho isla sameeyaa (maro saar miis korkiisa), si booska labadiina idin deeqo. Wuxaad teendhadaada ka dhigi kartaa qayb ka mid ah sheekada - wuxuu ahaan karaa guri yar oo bahal ku jiro, dayuuradda hawada sare tagto, ama munaaradda boqoradda.

Miyaad ogeed carruurta ay waalidkooda si joogto ah wax u aqriyey markii ay ahaayeen shan jir waxay si ka fican ugu guuleysteen imtixaanada xisaabta, aqoonta ereyoyinka iyo hikaadinta xarafyada markii ay gaaraan 16 jir markii loo barbardhigo carruurta sidaan loo caawinin?

Miyaad ogeed in carruurta badanaa ay leeyihiin sheeko ay ka jecel yihin inay maqlaan si noq-noqod ah? Kani wuxuu ku caawinayaan barashada sida ereyoyinka u kala hormaraan iyo waxay sheekada ku xiraan ereyoyinka qoran - kuwaaso ah tallaaboyinka koowaad ee lagu barto wax aqrinta!

Fikrada sheekaysiga

U sheeg ilmahaada wixii aad sameyn jirtey markii adigaba ilmo ahayd. Qoyska oo dhan ha ka qayb-galo - awoowayaasha ayaguba waxay lahaan karaan sheekoyin ku saabsan markii ay ilmo ahaayeen!

POP UP BOOKSHOP

The logo for the Children's Book Project Picture Books. It features the text 'Children's Book Project' above 'Picture Books' in a stylized font. There are four small images of children's books surrounding the text: one with a blue cover and a yellow character, one with a green cover and a frog, one with a white cover and a blue character, and one with a blue cover and a white character.

Our Pop Up Bookshop was a huge success in December. Huge thanks to Ms Rahman for working with the Children's Book Project charity to organise this. There was a real buzz of excitement as Early Years and Key Stage One went upstairs to "shop" on the top floor with their book tokens. They were able to choose from a wonderful range of donated, brand new books. We hope they enjoyed reading them over the holidays. What a great start to the National Year of Reading!

Holiday during term time.

A reminder that, like all Islington schools, we do not authorise holidays taken in term time. Some parents may believe that there is a right to a certain number of days holiday during term time. This is not true. You may be served with a Penalty Notice or a summons to court for your child/ren's unauthorised absence once your child turns 5 years old and will incur a fine from the Local Authority.

Attendance and Punctuality Matters

Attendance is everyone's responsibility

Here is why attendance is so important:

- Children who attend school regularly achieve more in both primary and secondary education.
- Missing just few days can quickly add up to weeks of lost learning.
- Every hour in the classroom is an opportunity for growth that cannot be replaced.

Attendance threshold matters:

- Below 95% is a concern.
- Below 90% is class as persistent absences by the Department of Education
- Below 85% is a serious concern.

What we are aiming for:

Our goal is for every child to achieve at least 95% attendance, with attendance of 96% and above is considered excellent.

90% attendance may sound good, but it is equal to 19 days off school, almost 4 weeks of learning lost. That is 95 hours of missed lessons.
