'I have the right to an education'.

Article 28 of the United Nations Convention on the Rights of the Child (UNCRC) says that children and young people have the right to education no matter who they are: regardless of race, gender or disability; if they're in detention, or if they're a refugee.

1.0 Introduction:

For our children to gain the greatest benefit from their education it is vital that they attend school regularly and your child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable. Every day counts in teaching and learning.

The school has a legal duty to publish its absence figures to parents and to promote attendance. Equally, parents have a duty to make sure that their children attend.

At Robert Blair Primary school, our staff are committed to working with parents and children to support, model and encourage a high level of attendance and ensure that all children's welfare and life opportunities are promoted.

It is very important therefore that you make sure that your child attends regularly and this policy sets out how together we will achieve this.

2.0 Importance of good attendance:

Helping children to develop a good attitude towards attendance is an important life skill, this starts from the child's first experiences in Early Years and continues all the way through primary school. We aim to encourage an attitude that will support children to be responsible learners, prepare them for life as young adults and give them the skills to become a valued member of society. Attendance and punctuality are core life skills.

2.1 Learning:

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning potential. Pupils with poor attendance are more likely to make less progress at school. Pupil absence disrupts teaching routines and may also affect the learning of others in the same class.

2.2 Attendance Metrics describing attendance levels:

100%	Outstanding
99%	Excellent
97-98%	Good
95 - 96%	Average
95% and below	Requires Improvement
85-90%	Persistent Absenteeism and Cause for Concern. Persistent Absenteeism and
85% & below	Serious Concern.

Pupils with attendance below 90% are at risk of Penalty Charge Notice (PCN) and legal action.

2.3 Law relating to attendance:

Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

Under section 7 of the Education Act 1996, a parent is responsible for ensuring that their child of compulsory school age (5-16) receives sufficient and suitable education, either by regular school attendance or other arrangements. This means that the parent of a child registered at a school has a legal duty to ensure the child's regular attendance.

Failure to fulfil this duty is an offence under section 444(1) of the education Act 1996

2.4 Safeguarding:

Safeguarding the interests of each child is everyone's responsibility and within the context of Robert Blair Primary School, promoting the welfare and life opportunities for your child encompasses all areas of:

Attendance/ Behaviour Management/ Health and Safety/ Access to the Curriculum/ Anti-bullying /Child Protection

Failing to attend school on a regular basis will be considered as a safeguarding matter.

Section 175 of the Education Act 2002 places a duty on local authorities and governing bodies to have regard to guidance issued by the Secretary of State with regard to safe guarding and promoting the welfare of children and students under the age of 18

3.0 Promoting regular attendance:

Helping to create a pattern of regular attendance is everybody's responsibility including parents, pupils and all members of school staff. We promote a culture within school where we challenge issues related to attendance and celebrate success.

3.1 At Robert Blair Primary School we will:

- Rigorously monitor daily attendance and quickly address concerns.
- Include and have high expectations of pupils in relation to attendance
- Give regular updates on your child's individual attendance record at the end of each half term and an overview of the whole school attendance
- Support and challenge children, parents/ carers around issues that may become a barrier to their child's attendance
- Discuss your child's progress and related attendance at twice yearly parents' evenings
- Celebrate good attendance as whole school and class
- Communicate attendance of house groups in weekly assembly and regularly discuss with pupils the importance of good attendance
- Reward good or improving attendance through House group points, linking learning, behaviour and attendance together
- Discuss attendance concerns at leadership level
- Work closely with other professionals including:
 - Educational Welfare Officer (EWO)
 - Social Workers (SW)
 - Health Professionals (CAMHs, SLT, OT)
 - School Nursing Team
 - Family support (Families 1st/ School Home Support)

4.0 Understanding types of absence:

Every half-day absence from school has to be classified by the school (not by the parents), as either **AUTHORISED** or **UNAUTHORISED**. This is why information about the cause of any absence is always required.

4.1 Authorised absences:

A child is absent from either morning or afternoon or both sessions and the parent or carer have provided a reasonable reason, such as:

- Illness

- Medical/dental appointments (which unavoidably fall in school time)
- Emergencies

Parents and carers have a responsibility to report absence to the school via phone call, written notes, text messages and where possible provide the office of a copy of letters for medical appointments (prior to leave).

It is at the schools discretion to decide if the reason given is reasonable.

4.2 Unauthorised absence:

The child is absent and the school does not consider the reason to be reasonable, such as:

- no explanation has been given by the parent;
- the school is not satisfied with the explanation;
- the pupil or parents are staying at home to mind the house;
- the pupil or parents are shopping during school hours;
- the pupil is absent for unexceptional reasons, e.g. a birthday, wedding;
- the pupil is absent from school on a family holiday;
- the pupil has low attendance over time;
- the illness of another child or parent;

4.3 Impact of Lateness:

Poor punctuality (lateness) is not acceptable. If your child misses the start of the day they can miss work, information for the day ahead, important assemblies and sometimes class trips. Late arriving pupils also disrupt lessons and this can be embarrassing for the child and can potentially encourage absence from school in the future.

Morning registration will be closed at 09.05am and afternoon registration will close at 13.05pm. If your child arrives after that time they will receive a mark that shows them to be on site, but this will **not** count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a Penalty Notice if the problem persists.

4.4 Request of leave during term time:

Holidays or leave in term time is not a right and may only be granted under exceptional circumstances. No time off for holidays during term time will be authorised for any reason, including home country visits or visits to relatives. Requests for term time absence will only be authorised in exceptional circumstances. Resulting absence could lead to a Penalty Charge Notice (PCN) issued by London Borough of Islington.

Parents/ carers will need to complete a request for leave form available at the school reception. This needs to be completed and returned a minimum of **four weeks** prior to leave.

Requests will be discussed at Leadership where authorisation will be granted or not by members of the Leadership team. Parent/carers will be informed by letter as to the outcome and the reason for the decision.

Parents will be asked to provide copies of the flight information, destination address and a contact number.

[Appendix 1 - Leave of absence form/ school response letters]

5.0 School Procedures: (See appendix 4. Attendance Procedures reviewed January 2019).

It is very important that parents/carers follow these procedures to support a level of good attendance.

5.1 Registration and school day:

Morning Register sessions:

School opens at 8:45am

School starts and registration is at 9:00am

Class teachers will complete registers

Late marks will be recorded after **9:05am**

Registers close at **9:05am** any mark after this will be marked as unauthorised late

Afternoon Register session:

Afternoon session starts and registration is at 13:00pm

Class teachers will complete registers

Register will close at 13:05pm

5.2 Absences Procedures:

If your child is absent parents/carers must:

- Call the school before 9:00 on the morning of absence and either speak to the school's receptionist or leave a message on the school voice mail.

School Number: 0207 607 4115 (press 1 to report your child's absence)

- Provide letters of appointments prior to absence on medical grounds, to the school's receptionist.

5.3 Recording of absences and attendance completion:

The school receptionist will record absences and late arrival on the daily attendance log, they will record any messages received on the answer service and text message service at **9:30 am**.

School Admin team will complete **first day calling** for all pupils who are not present and the school has not received a call from.

School Admin team will complete attendance for all class groups on Arbor and print a class register for each class at the close of each session.

Parents/carers will need to sign their child in or out between sessions on the daily attendance log which is held at the reception desk.

The daily attendance log and printed class registers are printed and are available and taken out during emergency procedures

5.4 Persistent Absenteeism (PA):

When a child's absence builds up over a period over time this is known as '**persistent absentee (PA)**' this is classified as a child who has missed 10% or more schooling across the school year for whatever reason.

Absence at this level does considerable damage to any child's educational prospects and we need parent's full support and co-operation to tackle this.

We monitor all absence thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and you will be informed of this immediately.

PA pupils are tracked and monitored carefully through regular meetings with the designated Educational Welfare Officer from the Local Authority and the Attendance Lead. The attendance team will monitor the pupil's attendance on weekly basis and the information will be shared at

Pupil Progress Review (PPR) meetings where school senior leaders and class teachers discuss individual's progress and attainment.

Parents/carers will be offered meetings to discuss concerns and expectations of improved attendance will be outlined along with any support required by the parents. If there is no change or improvement of attendance over an agreed period, parents/ carer could face further legal action from the Local Authority.

5.5 How we monitor absence:

The attendance team monitors any concerning absence trends and make phone calls to relevant parents/carers to inform of school concerns.

Pupils whose attendance is raising concern from weekly monitoring will:

- Initially be invited to a meeting with the Pastoral and Welfare Lead to discuss concerns and support
- Have follow up meetings with appropriate members of the attendance team (including Class Teachers)
- **Be referred to EWO service** and a meeting or home visit will be arranged with the EWO and Pastoral and Welfare Lead

At the meetings the parent/ carer will have an opportunity to discuss the challenges and school will work with the family to try and improve the situation.

Half term review meeting will be arranged with the school's EWO and Attendance Lead to monitor, review and discuss outcomes.

5.6 The Educational Welfare Officer (EWO):

We expect parents to contact school at an early stage and to work with the school staff to resolve any problem which may be a barrier to school. If difficulties cannot be sorted out in this way, we may refer to the Educational Welfare Officer (EWO) who works closely with the local authority. They will support legal procedures can issue sanctions such as Penalty Charge Notices (PCN) or prosecutions in the Magistrates Court.

6.0 Summary:

Attendance of children is the responsibility of all and is a legal requirement of parents and carers. The school adheres to this policy which is written in accordance to guidance and advice from the London Borough of Islington.

Working together we can ensure that your child reaches their potential and help to achieve a level of good attendance across the whole school.

Application for Leave of Absence in Term Time		
		
<p>Parents and carers are strongly urged not to book holidays or take special leave during school term time because Your child will miss out on important school work and may not be able to catch up. This could have serious consequences on progress, attainment and opportunities later in life. Dear

I have carefully considered your request for your child (child's name) to have a leave of absence in term time. Your request was discussed at The Inclusion meeting on (date)

It was decided to authorise the leave because the circumstances are exceptional and your child has no history of term time leave, your child's current attendance is (%)

(Child's name) is authorised to have (days) of leave of absence, with his/her last day of school being (date) and his expected date of return being (date). Please note that while this leave is authorised by the school, the absence will still impact your child's overall attendance figure.

If for any reason your child does not return to school on the expected date, you must make all possible efforts to contact us. If we do not feel that the reason for the delay is acceptable, the absence will not be authorised. You will risk losing your child's place at the school and you may be served with a Penalty Notice. Please note there is no right of appeal by parents against penalty notice. Parents have a duty to ensure their child's regular attendance at school and failure to do so is an offence under Section 444(1) of the Education Act 1996.

Yours sincerely

Dear Parent/ Carer of

I have carefully considered your request for your child (child's name) to have a leave of absence in term time. Your request was discussed with the Senior Leadership Team and it was decided that we cannot authorise your request.

Good attendance is essential for your child to both achieve the very best now and set up good habits for their future. We would like to congratulate the many parents who do make sure their children attend school regularly.

However, there are still pupils who are absent without good reason; this is clearly unacceptable.

We all have a responsibility to ensure that our children receive an education that is appropriate for their age, ability and aptitude. Absences disrupts the education of both the individual and the whole class. Research shows that children who do not attend school regularly:

- Do not achieve well in school;
- Find it more difficult to maintain friendships;
- Miss out on social events; and
- In extreme cases, are more likely to be involved in crime

Absence can only be authorised when there is a good cause, for example if a child is too ill to attend school. Parents cannot authorise absence; only the Head Teacher

may do so as authorisation must be within the boundaries set by The Education Regulations 1996.

To this end, please remember that the following are not acceptable reasons for a child's absence during term time: holidays, parental illness, birthdays, shopping trips, visiting family, not wanting to go to school. You should also be aware that arriving at school late or after the registers are closed do count as unauthorised absence; this could also have serious consequences for parents.

Robert Blair Primary School regards children's school attendance for 190 days annually as a right and not in any way optional. **Like all Islington schools, we do not authorise holidays taken in term time.** Some parents are under the impression that they have a right to a certain number of days holiday during term time. This is not true. **PLEASE BE AWARE THAT INSTANT PENALTY NOTICES ARE NOW BEING ISSUED FOR UNAUTHORISED HOLIDAYS BY THE EDUCATION DEPARTMENT,** once your child turns 5 years old.

If you withdraw your child from school for this leave it will be recorded as unauthorised absence.

Please do not hesitate to contact the school if you have any questions or wish to discuss any part of this letter.

Yours sincerely

Michelle Bahn
Head teacher
