Educational & Enrichment Trips

In order that we do not have to obtain written consent for your child to attend each educational visit during the course of the school year we would like to obtain your permission for them to attend all educational trips and visits whilst they are a pupil at Robert Blair School.

Parents/carers are informed about all trips in advance by letter & all upcoming trips are also detailed on the school calendar which can be accessed via the Robert Blair website and the School App.

If you do not wish for your child to attend a particular trip we would ask you to put the reason in writing and return this to the school office.

I give permission for my child to be taken on educational trips and visits whilst at Robert Blair School.

Pupil Photos & Videos

The school uses pupil photographs and video to showcase active learning and celebrate pupils work. These images are used in our newsletters, on the school website, the School App and in displays around the school premises.

I give permission for my child's image to be used in the ways identified above. I understand that in displays around the school both my child's photo and name may be displayed.
