

# Pupil Premium Strategy Statement

## **REVIEW 2023**

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

#### **School overview**

| Detail   | Data                                 |
|--|--------------------------------------|
| School name  | Robert School & Childrens Centre     |
| Number of pupils in school                         | 227                                  |
| Proportion (%) of pupil premium eligible pupils    | 48%                                  |
| Academic years that our current pupil premium plan | 2 years                              |
| covers   | 2022/23 to <b>2023/24</b>            |
| Date this statement was published                  | 5 November 2022                      |
| Date on which it was reviewed                      | 6 December 2023                      |
| Statement authorised by                            | Michelle Bahn                        |
| Pupil Premium Lead                                 | Janet Coulburne (Sept 2022-Dec 2023) |

#### **Funding overview**

| Detail – 2022 2023 Amount                                 | Detail – 2022 2023 Amount |
|---|---------------------------|
| Pupil premium funding allocation this academic year       | £126, 700                 |
| Recovery premium funding allocation this academic year    | £13 050                   |
| Pupil premium funding carried forward from previous years | £0                        |
| Total budget for this academic year                       | £139 750                  |
| Detail – 2023 2024  | Amount                    |
| Pupil premium funding allocation this academic year       | £126, 205                 |
| Recovery premium funding allocation this academic year    | £0                        |
| Pupil premium funding carried forward from previous years | £12, 470                  |
| Total budget for this academic year                       | £138, 675                 |

#### Part A: Pupil Premium Strategy Plan

#### Statement of intent

We want our children to make accelerated progress so that they leave primary school with a strong 'tool-kit' of skills which ensures their success in secondary school and beyond. This 'tool-kit' is in regard to their achievement in core subjects and the wider curriculum, as well as their personal resilience and sense of self.

Our PP numbers are high. Our school and wider community face many social and economic challenges. Islington has the 4th highest child poverty figures in the country. The average PP figure for cohorts leaving our Year 6 is 65%. Mobility is a key feature of the school.

Our Pupil Premium strategy aims are centred in ensuring quality first teaching through consistent and well embedded whole school systems and routines; a rich curriculum with a priority on Personal Social and Emotional Development and which broadens pupils' cultural capital; oracy and vocabulary development from relatively low starting points; good levels of attendance and punctuality and support for pupils who experience high mobility.

Our PP strategy plan prioritises pastoral provision across an extended day offer; targeted interventions for children demonstrating challenges around their behaviour and/or wellbeing; targeted tutoring which supports accelerated progress.

#### **Challenges**

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

| Challenge number | Detail of challenge   |
|------------------|---|
| 1                | Assessments and observations demonstrate low oral language skills and vocabulary gaps among many disadvantaged pupils. This is across all year groups.  |
| 2                | Assessments suggest that disadvantaged pupils have greater difficulties with phonics and early reading skills than their peers. This impact negatively on their development as readers.   |
| 3                | Assessment data from Spring & Summer 2021 indicates that the education and wellbeing of many of our disadvantaged pupils have been impacted. It has been acknowledged widely that the impact of the pandemic on disadvantaged families has been disproportionate compared to families not in disadvantage. Our tracking shows that many children in disadvantage did not engage effectively with remote learning and therefore are not achieving at their expected levels. This is most evident in maths outcomes at KS2. |
| 4                | Our attendance data and persistent absentee figures are challenging and have worsened since the pandemic. Absenteeism is negatively impacting disadvantaged pupils' progress.   |

| 5 | The school has a high case load of Early Help, SEND and families in need of   |  |  |  |  |  |  |
|---|---|--|--|--|--|--|--|
|   | pastoral and welfare support involvement. Many of these are children and      |  |  |  |  |  |  |
|   | families in disadvantage.   |  |  |  |  |  |  |
| 6 | Many of our pupils in disadvantage have very little wider cultural experience |  |  |  |  |  |  |
|   | despite living in the capital & within the heart of the knowledge quarter     |  |  |  |  |  |  |
|   | https://www.knowledgequarter.london/  |  |  |  |  |  |  |

#### **Intended outcomes**

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

| Intended outcome  | Success criteria   |
|---|--|
| Improved oral language and vocabulary among disadvantaged pupils  | Improved oral language and vocabulary is evident in work scrutiny, lesson observations and interactions between pupil and pupils and pupils and staff.   |
| Improved phonics attainment among disadvantage pupils   | Tracking and assessment demonstrate no gap between attainment for disadvantaged pupils and their peers in KS1 and LK2 where appropriate.   |
| Improved reading and maths attainment among disadvantaged pupils at the end of KS2  | Minimal or no gap between attainment in Reading and Maths for disadvantaged pupils compared to non-disadvantaged pupils.   |
| To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils  | Sustained improved attendance and numbers of persistent absentees can be demonstrated with a reduced gap between disadvantaged pupils and non-disadvantaged pupils.  |
| To maintain a high quality of pastoral provision across the school  | High standards in behaviour and attitudes, as well as personal development. Behaviour management is effective and strongly rooted in trauma informed practice. Pupil, staff and parent feedback reflects high levels of wellbeing. |
| All pupils, many of whom are pupils in disadvantage will experience a rich curriculum offer to support the development of cultural capital. | Planning, work scrutiny and displays reflect a rich curriculum offer. High uptake of enrichment activity which is a central feature to children's learning experience and the curriculum offer                                     |

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding **this academic year** to address the challenges listed above.

## **Teaching (for example, CPD, recruitment and retention)**

## Budgeted cost: £ 52 000

| Activity   | Evidence that supports this approach  | Challenge<br>number<br>addressed |
|--|---|----------------------------------|
| Purchase of standardised resources, including diagnostic assessments. Training to ensure that resources, including assessments, are planned for, administered, evaluated and analysed correctly                          | Standardised and diagnostic tests such as NFER and Benchmark for Reading give insights into strengths and areas for development for individual pupils.  https://www.nfer.ac.uk/for-schools/products-and-services/nfer-tests/ https://educationendowmentfoundation.org.uk/ https://www.testbase.co.uk/ | 2 & 3                            |
| Enhanced adult: pupil ratio in Reception cohort. Classes with a class teacher, an experienced EYE and SEND support   | Our data has demonstrated impact over the last 3 years (up to 2019) in closing the gap between PP children and non PP children  | 1, 2 & 3                         |
| Early Years Speech and Language support  | Oral language interventions have strong evidence of impact on language and oracy development. Oral language interventions   Toolkit Strand   Education Endowment Foundation   EEF   | 1                                |
| Purchase of & training of Read, Write Ink.   | Base for the impact of a robust phonics approach across the school, in particular for pupils in disadvantage.   | 2                                |
| Enhance 'effective teaching' and increased engagement with families to increase pupil engagement, improved engagement, learning habits, dispositions and levels of independence.  https://www.habitsofmindinstitute.org/ | Improvements in oracy and sense of self and general wellbeing are noted in attitudes and dispositions, levels of engagement; in particular the impact on students with low oracy and reading skills   | 1,3,4 & 5                        |
| Enhanced maths teaching and curriculum planning in line with EfE and EEf guidance  Mathematics guidance: key stages 1 and 2 - GOV.UK   | The DfE non statutory guidance has been produced in conjunction with the National Centre for Excellence in the Teaching of Mathematics.   | 3                                |

## Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

## Budgeted cost: £ 28 000

| Activity  | Evidence that supports this approach  Challer number addres  |       |
|---|--|-------|
| Targeted school<br>led tutoring in Yr 6<br>in Maths and<br>Reading                  | Individual targeted tuition targeted at identified knowledge gaps can be an effective method to support children to make accelerated progress. <a href="https://thirdspacelearning.com/">https://thirdspacelearning.com/</a>   | 3     |
| Additional phonics interventions targeted at disadvantaged pupils who require extra | Phonics approaches have a strong evidence base indicating a positive impact on pupils, particularly from disadvantaged backgrounds. <a href="https://www.ruthmiskin.com/programmes/phonics/">https://www.ruthmiskin.com/programmes/phonics/</a> Trained and familiar adults, through a targeted phonics programme- individual and small group, additional to the | 2     |
| support   | daily class programme has a positive impact on deepening pupils knowledge and understanding.   |       |
| School Led Tutoring across KS 1 & 2.  | Individual targeted tuition aimed at identified knowledge gaps can be an effective method to support children to make accelerated progress.  | 1,273 |

## Wider strategies (for example, related to attendance, behaviour, wellbeing)

## Budgeted cost: £ 60, 000

| Activity   | Evidence that supports this approach   | Challenge<br>number(s)<br>addressed |
|--|--|-------------------------------------|
| Whole staff<br>training on<br>trauma informed<br>practice  | Evidence shows that staff become more attuned to pupils and curious about behaviour; improvements in staff: pupil interactions; improved regulation and ability of staff to self-regulate and respond to situations empathetically; pupils' ability to reflect on their emotions and become better able to self-regulate.  https://www.islingtoncs.org/itips | 4 & 5                               |
| Whole school<br>Training on<br>Trauma Informed<br>Practice | Research has identified that the framework of mental health and resilience practice in schools effectively supports pupils mental health and resilience.  Evidence shows children are happier, make friends, sustain relationships, are aware of others, face problems   | 4, 5 & 6                            |
|  | and setback, enjoy their play and leisure time and most importantly for schools LEARN BETTER   |                                     |

|   | https://vai.org.uk/wp-<br>content/uploads/2022/06/Islingtons-Trauma-Informed-   |          |
|---|---|----------|
|   | Practice Community-Project-2022.pdf   |          |
| Fully staffed, well trained Pastoral Care Team to support wellbeing of targeted pupils and the behaviour and personal development across the school   | Targeted and universal approaches can have positive overall effects. Behaviour interventions   EEF (educationendowmentfoundation.org.uk)  | 4, 5 & 6 |
| Breakfast programme free to PP and disadvantaged pupils. Including universal free breakfast at the start of the school day.   | Case studies have demonstrated the positive impact our breakfast club has provided in ensuring good punctuality and attendance and a positive start to the day, ready for learning.   | 4 & 6    |
| Develop an outward facing inclusion hub in the local area to share good practice around attendance, pupils learning behaviours and pupil & families attitudes and dispositions towards school (attendance) to improve outcomes. | Good practice shared amongst schools to drive consistency, including a common/collective understanding supports families and communication between schools to drive improved outcomes.  Research has shown, during times of collective purpose leads to collective teacher efficacy. Schools acting as stewards of <i>collective</i> purpose: the shared understanding of, belief in, and pursuit of communal values and goals improves outcomes. <a href="https://globalonlineacademy.org/insights/articles/the-power-of-collective-purpose-in-schools">https://globalonlineacademy.org/insights/articles/the-power-of-collective-purpose-in-schools</a> | 6        |

Total budgeted cost: £ 139, 000

## Part B: Review of the previous academic year

This details the impact that our pupil premium activity had on pupils in the **2022 to 2023** academic year

#### **Outcomes for disadvantaged pupils**

Our strategy for 22/23 to 23/34 builds on an approach that we are confident has impact in our school community.

Our last inspection report noted that we "are a highly inclusive school. Pupils' behaviour is good. Pupils are extremely proud of their school and enjoy being there. They benefit from attentive pastoral care from the minute they join the school."

Enrichment opportunities are provided by the school with no cost barriers to families, ensuring that all pupils have the opportunity to take part.

Our pastoral care team know pupils well and help to ensure that they get the support they need. Outcomes across the school for 2023 were good; broadly at least in line or above local and national levels.

Progress measures between KS1 and KS2 are broadly positive and reflect the key areas focused on for support needed for our pupil premium pupils to reach their potential.

#### School Data Summer 2023
